during travel period:

Fax Number:

**Imparja Application Administration Fee**

The Australian Communications and Media Authority (ACMA) approves Imparja Television to 'switch on' viewers travelling through our broadcast footprint, to allow reception of our commercial broadcast service where usual terrestrial signals are not available (other than in WA). A handling fee of \$55.00 inclusive of GST to cover the administration costs involved in this process will be charged to provide this facility.

**Payment Details**

Cheque/Money Order for \$55.00 enclosed (payable to Imparja Television Pty Ltd)

OR charge my  VISA  Mastercard

Card Holder's Name (please print) \_\_\_\_\_

Card Holder's Signature \_\_\_\_\_

Card Number

Expiry date -----/-----

**Process for Initial Application:**

- 1 Traveller has satellite reception equipment on their vehicle and has travel itinerary planned.
- 2 Viewer completes Imparja Application & Administration Form overleaf and forwards it with itinerary to Imparja Television for processing.
- 3 Viewer's payment of the Application Administration Fee (\$55.00) must accompany forms. Payment can be made by credit card or cheque.
- 4 Imparja will process the non-refundable payment for the application, and confirm the details of the travel itinerary as appropriate.
- 5 Imparja will contact the applicant by telephone to ensure the relevant equipment is ready and on (or successful activation may not be possible).
- 6 The Smart Card will then be activated for the period of travel.
- 7 If some of the travel is within WA, then the Smart Card will be deactivated for that period, and reactivated on the date the traveller is due to leave WA, at no cost to the traveller. This is because Imparja is not licensed to broadcast anywhere within WA.

**If your satellite reception drops out (and you see message '*scrambled E16*')**

- 1 Phone, fax or email Imparja Television and provide full name, address, Smart Card number and Reactivation Administration Fee of \$33.00 (inclusive of GST).
- 2 Your Smart Card will be reactivated and you will be notified by telephone to confirm the reactivation to our service.
