

CONDITIONS APPLICABLE TO USING THE GOODS

(a) **Conditions applicable to resale:** The Purchaser shall provide notice to Optus if the Purchaser on sells the Goods to a third party, either as a single unit or as part of a complete unit (eg. inserted into a professional decoder or other device). This notice to Optus shall provide details of the third party, expected end use of the decoder or device and expected installed location. Optus may restrict further sales of Goods to the Purchaser where the Purchaser has failed to comply with this clause.

(b) **Restrictions on use:** The Goods have been designed to used for the purpose of descrambling video and audio services from the Optus Aurora Digital – VAST platform, as that platform is currently configured. The Purchaser and any third parties to whom the Purchaser supplies the Goods may only use the Goods for this purpose.

(c) **Changes to the Optus Aurora Digital – VAST platform:** From time to time Optus may carry out configuration changes to the Optus Aurora Digital – VAST platform. The Purchaser is solely responsible for the effect of these changes on the operation of any equipment in which the Goods have been installed. Optus excludes liability for any failure of such equipment which is attributable to such a configuration change.

(d) **Conditions to be passed onto Third Party Purchasers of the Goods:** The Purchaser must include the provisions set out in this clause 2 in its terms of supply of the Goods to any third party.
